Effective 1 November 2024

This document should be read in conjunction with our Product and Services Terms and Conditions and our Savings and Investment Interest Rate Schedule, before making a decision to acquire any financial product.

The fees and charges contained in this document are effective at the date of this document and are subject to change. Fees, charges and interest rates relating to loan products are detailed on the relevant loan documentation.

Fee-free transactions

The following transactions are free across all of the accounts listed in this document (where the transaction is applicable to that account type).

- Online internal transfers (BankWAW to BankWAW).
- Online external transfers (BankWAW to a third party payee).
- Direct credits.
- Over the counter deposits.

Debiting of fees and charges

Transaction based fees and charges are debited to the account on the last day of each month. Direct charge fees by third-party ATMs are debited to the account at the time of acceptance. Non-standard fees and charges are generally debited to the account at the time of relevant activity.

Fee-exempt accounts

BankWAW offers a number of fee-exempt accounts. Fee-exempt accounts still attract non-standard fees and charges. Please refer to Table 4 in this document for details.

Account transfers

BankWAW offers a fee-free Star Saver account for children aged 0-12. At the account holder's 13th birthday, this account will automatically be transferred to a fee-free S58 Youth Saver account.

The Youth Transact and Youth Saver accounts are free accounts for young people aged 13 to 25. On the account holder's 26th birthday these accounts are transitioned from:

- S57 Youth Transact to S55 Everyday Transact
- S58 Youth Saver to S51 Everyday Saver.

These accounts will revert to the standard fee structure for each account type at that time.

Staff assisted transactions in Service Centres

BankWAW will charge a fee of \$2.00 per transaction for any of the following (unless specified):

- Over the counter Electronic Funds Transfers
- Ongoing / regular external transfers
- Over the counter cash withdrawals
- Over the counter BPAY transactions.

Direct charging at third-party ATMs

If you use an ATM that is operated by a third-party (including international), you may see the charge for using that ATM on the screen before you decide whether to proceed with the transaction. This is not a BankWAW transaction fee. If you decide to accept that fee, it will be separately debited to your account at the time of the transaction and will be shown on your statement.
