Requested Daily Limit (Increase doesn't apply to Mobile Banking App)				\$			
Limit Requested For		Standard Trans		NPP (Osko)		Foreign Exchange	
Valid Dates for Daily Limit		From:		To:		Ongoing:	

DECLARATION:

I/we acknowledge than an increase to the daily external transfer limit on my/our Internet Banking service creates a greater exposure to loss as a result of fraudulent activity and advise that the increase is necessary for the following reason/s:

I/we hereby request an increase/decrease to the \$2,000 daily external transfer limit on my/our Internet Banking service, and understand the increase does not apply to Mobile Banking App.

I/we acknowledge that during the period requested for the external transfer limit increase above \$2,000 the only signatory/ies able to operate the account will be registered for SMS one-time password (SMS OTP).

Any other signatory who does not register for SMS OTP on the relevant account will be able to read only on that account and not transact.

BankWAW reserves the right to contact account holders and authorised signatories regarding these arrangements, if necessary to do so.

I/we acknowledge and agree:

- To pay any charges which may be incurred by BankWAW in respect of any remittances.
- BankWAW accepts no responsibility whatsoever for any penalty, fine, charge or claim resulting from late remittances of funds.
- It is my/our responsibility to protect my/our Internet Banking login and password from unauthorised use or use by anyone apart from the person to whom the password was issued.
- Full responsibility and liability is mine/ours should fraudulent Internet Banking transactions be undertaken through my/our negligence with relation to disclosure of Internet Banking passwords to other persons.
- Misuse arising from disclosure of password details will be at my/our expense and I/we will not hold the BankWAW responsible for any loss, financial or other, that may occur.

Internet Banking users must not share their login or password with any other individual (even joint account holders or other account signatories). Login details and passwords must be unique to a particular user and not shared. Multiple username and passwords may be issued for the same account subject to signatory authorisation requirements.
